NOTIFICATION

No. CMS/TPB 4304/466/CR-200/04/UD-11:

Government vide Urban Development Department's Notification No. DCR 1090/RDP/UD-11 dated 20/2/1991, has sanctioned Development Control Regulations for Greater Mumbai, 1991, (hereinafter referred to as the "said Regulations") to come into force with effect from 25/3/1991.

And whereas, Table 14, Item No.1B(ii) below in Regulation No.32 of the said regulations prescribes norms for maximum permissible FSI for area of villages in P/North & R-Wards.

And whereas, Government has received representation to enhance the FSI for residential zones falling in villages of Aksha, Erangal, Marve from 0.5 to 1.00 under the regulations and granting additional FSI in Aksha, Erangal and Marve villages.

And whereas, in this regards, the Director of Town Planning has informed that in Marve and Aksha villages, the development is only in gaothan area and in the surrounding limited area, there is no large scale development and whereas in Erangal village, the residential use is increasing rapidly. Further, MMRDA is also proposing the road over bridge from Versova to Madh and Erangal and on account of this proposed road, the residential development in Madh and Erangal villages would increase gradually.

And whereas, considering the aforesaid circumstances and the related factors it is felt necessary to enhance the limit of permissible FSI from 0.5 to 1.00 for Erangal village, at the same time maintaining the present FSI of 0.5 for CRZ affected areas of this village, it appears necessary to modify the relevant provisions of the said regulation by taking recourse to section 37 of the said Act thereby incorporating the above change for FSI in Erangal village.

And whereas, considering all these facts Govt. had issued Directions under section 37(1) of the said Act to the Municipal Corporation of Greater Mumbai vide order of even number dated 17/8/2004 to initiate modification to the Table No.14, Item No.1B(ii) in Regulation No.32 (hereinafter referred to as "the said modification");

And whereas, after completing the legal procedure as contemplated under section 37(1) of the said Act, the said Corporation vide its letter No.

CHE/Gen/354/DPC/GEN of 21/3/05 has submitted the said modification proposal to the Government for sanction;

And whereas, after consulting the Director of Town Planning, Maharashtra State, Pune, Government finds it necessary to sanction the said modification with some modification;
